ALL NEW AND RETURNING HOCKEY PLAYERS--

June 2010

To help us plan for the upcoming 2010-2011 season, we are asking all players to fill out the attached NYH pre-registration form, and return it with a minimum deposit of \$100. Thanks to those who have already done this; if you have not, please do so as soon as possible to help us all avoid more paperwork during the back-to-school rush and help NYH get a head-start on the new season.

All players are also required to complete their annual registration on-line at <http://www.USAHockey.com>, and to then provide NYH with their current confirmation number.

New players must do this before participating in any on-ice activities, and returning players currently registered with USAH will be covered until 8/31/2010 but must re-register for the new season by then. (Those attending summer hockey camps should check with them to see if they require an updated 2010-2011 USAH confirmation number.)

Please make sure when filling out your personal information at USAH on-line that it is accurate and up-to-date as NYH will use this contact information throughout the season.

Both the NYH form with your check and paper copy of your USAH confirmation may be left at the rink office with Lynn in an envelope to my attention, or mailed to me directly at the address below. Updated USAH confirmation numbers may be forwarded directly to me by email anytime.

Please call or email with any questions you may have.

Thank you,
